

**QUESTIONNAIRE LONG**

**IMPORTANT**

Les résultats présentés reposent sur la participation volontaire et anonyme de membres de la communauté scientifique alsacienne, qui ont choisi librement de répondre à un questionnaire (version électronique) entre début mars et mi-avril. Ils ne sont pas représentatifs, ni à l'échelle locale, ni à l'échelle nationale, et ne peuvent être généralisés.

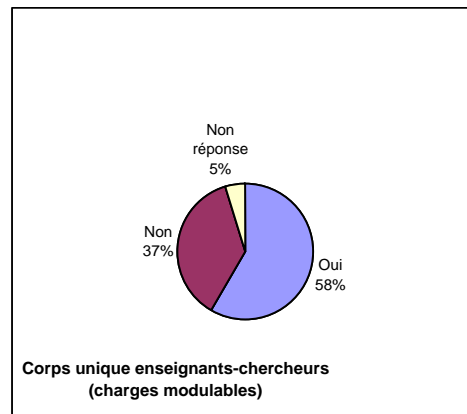

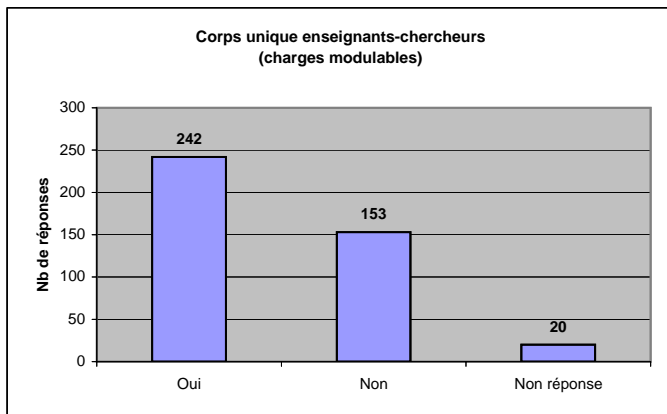

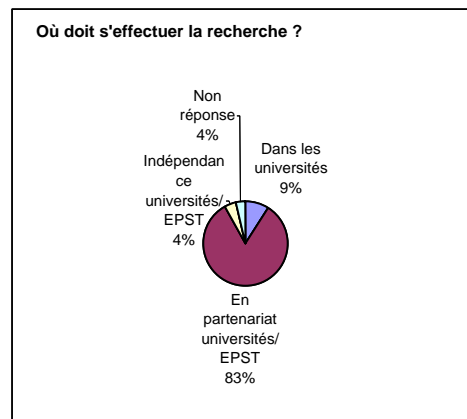

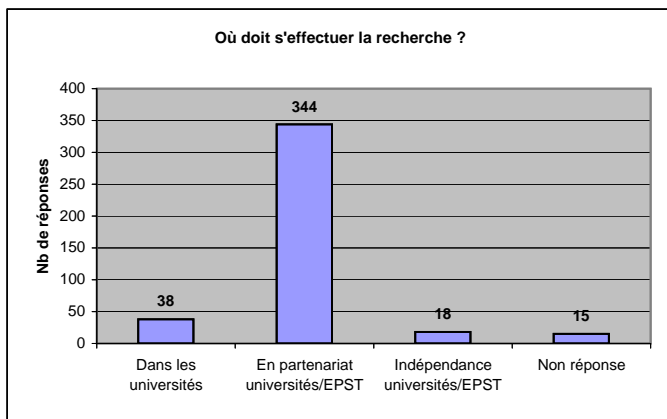

**415 personnes ont répondu partiellement ou complètement au questionnaire long**

**Objectifs de la recherche publique**

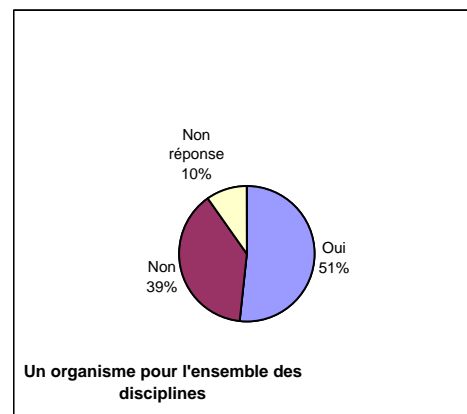

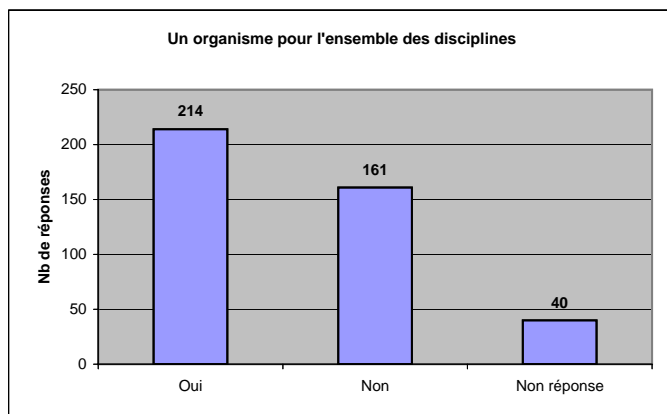

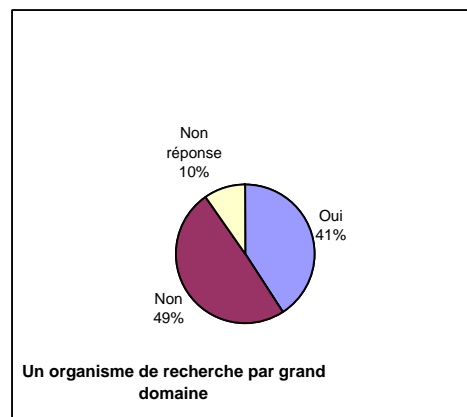

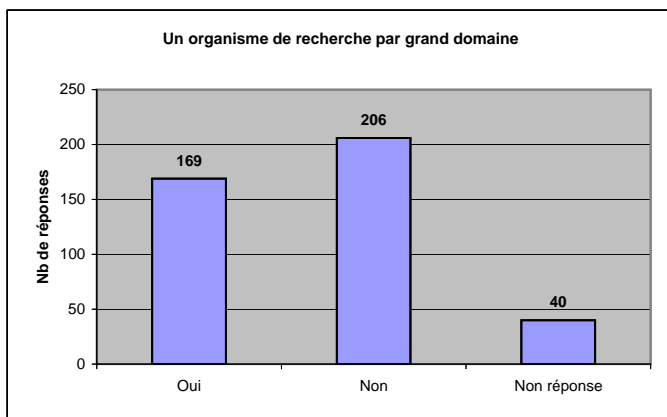

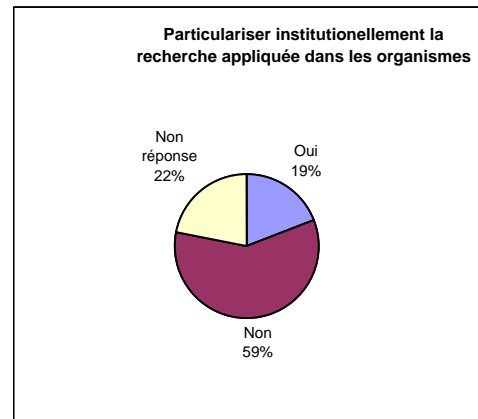

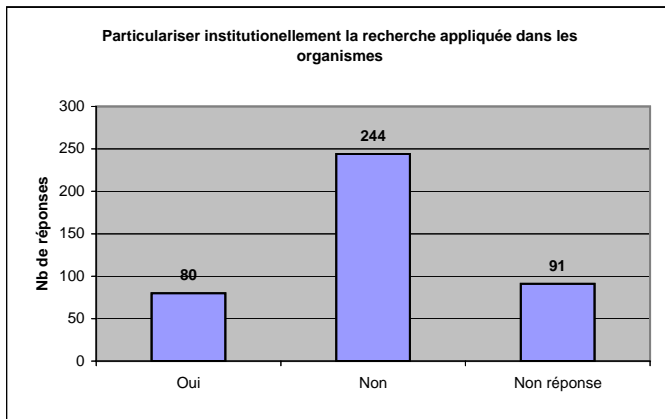

Attention à l'interprétation des réponses : certains répondants ont effectué un classement, de 1 à 3, des trois propositions ; d'autres ont simplement noté de 1 à 3, chacune des propositions.

**Les acteurs institutionnels de la recherche**

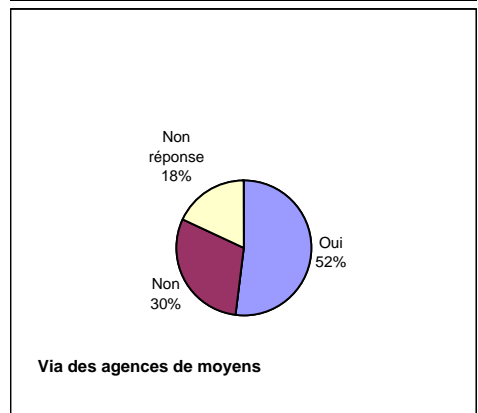

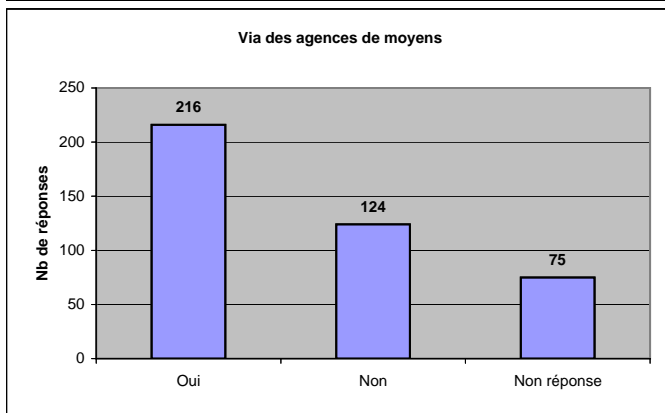

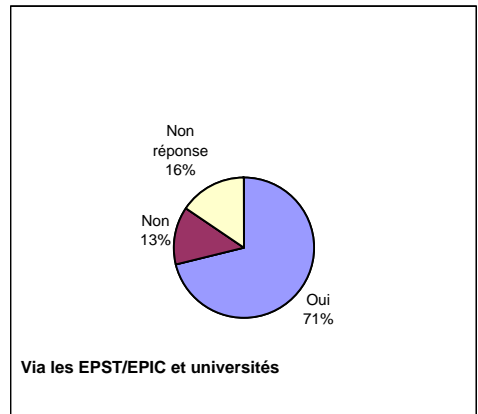

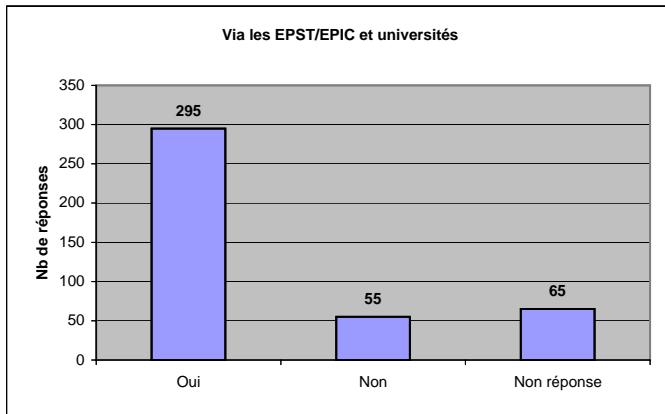

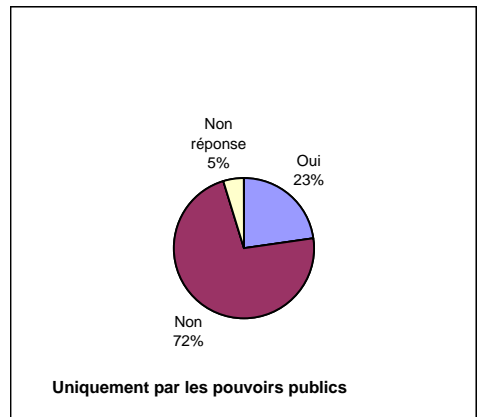

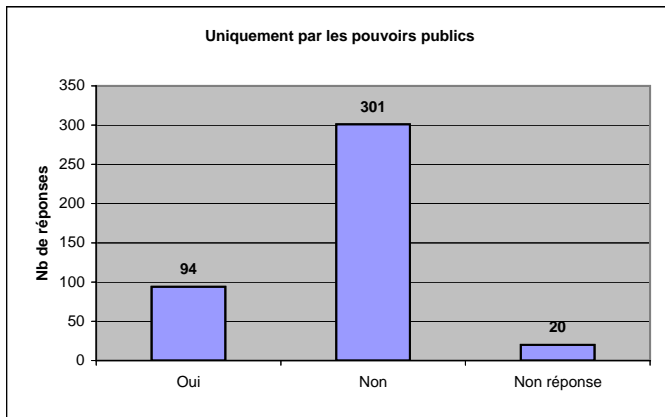

**Structure des organismes non universitaires**

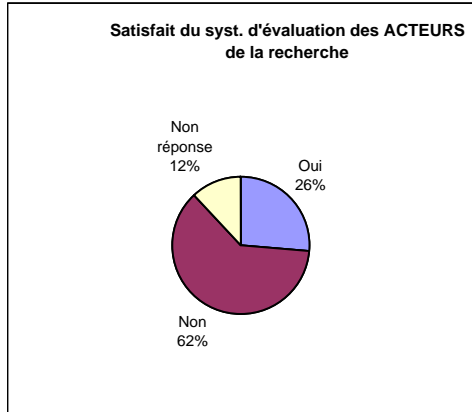

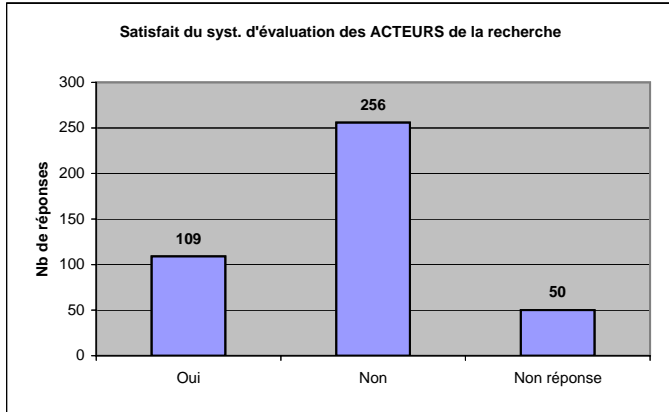

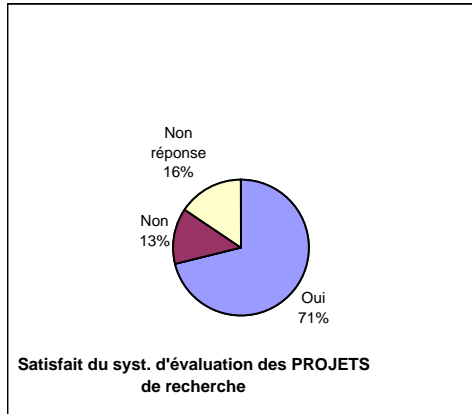

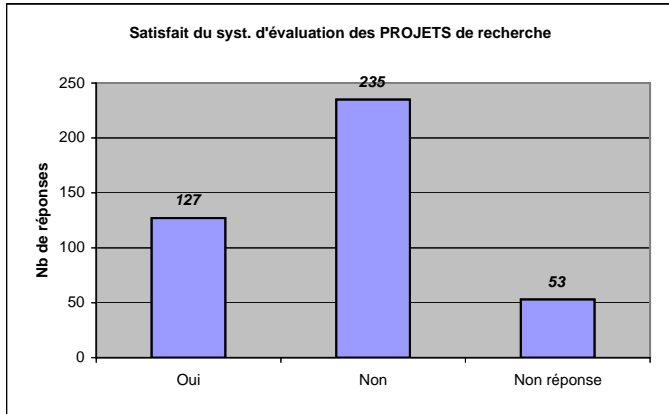

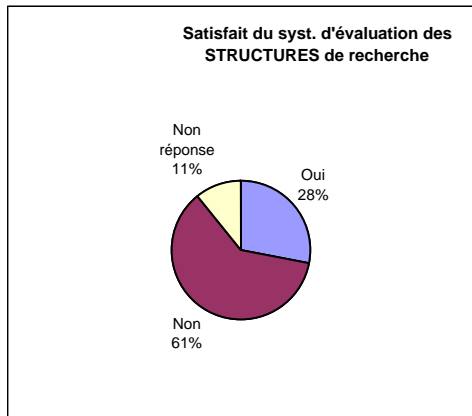

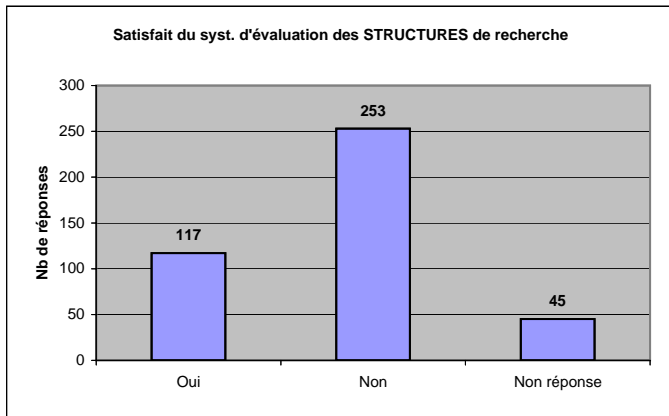

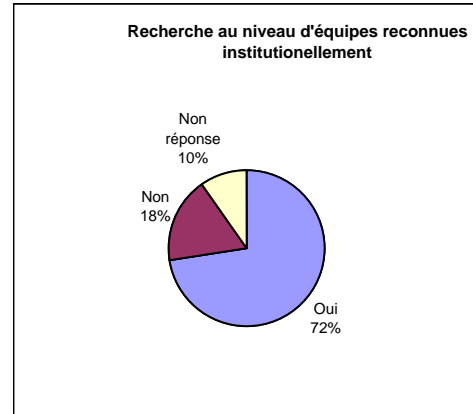

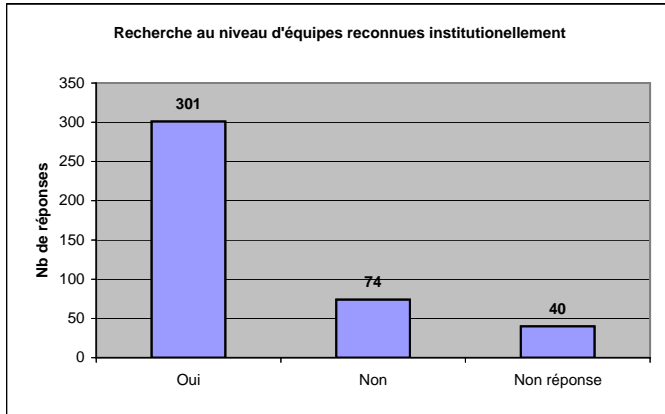

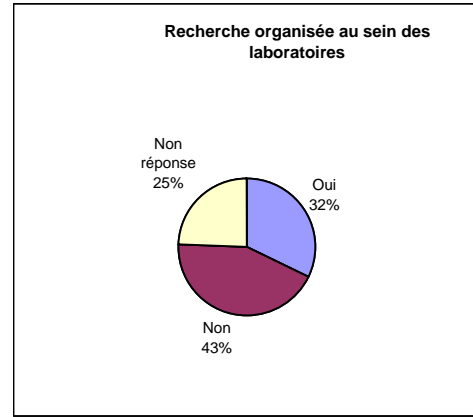

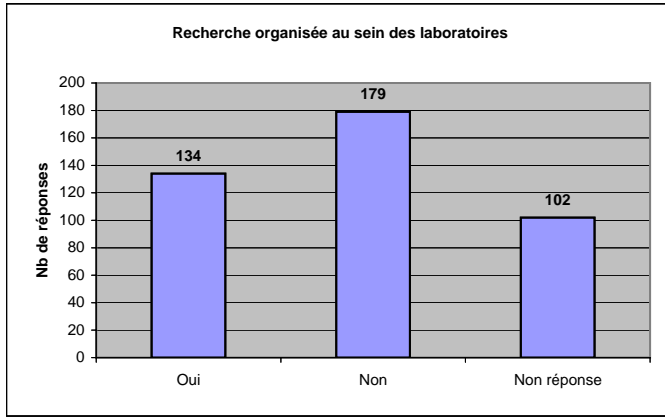

**Le financement de la recherche dans les EPST/EPIC et universités**

**L'évaluation de la recherche**

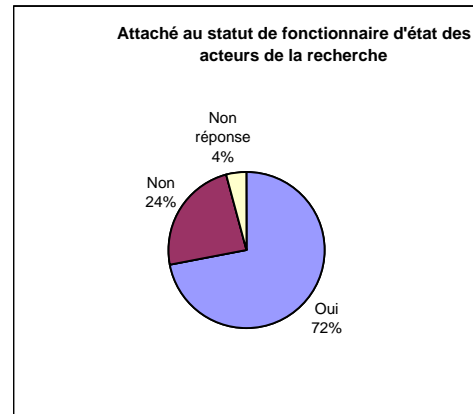

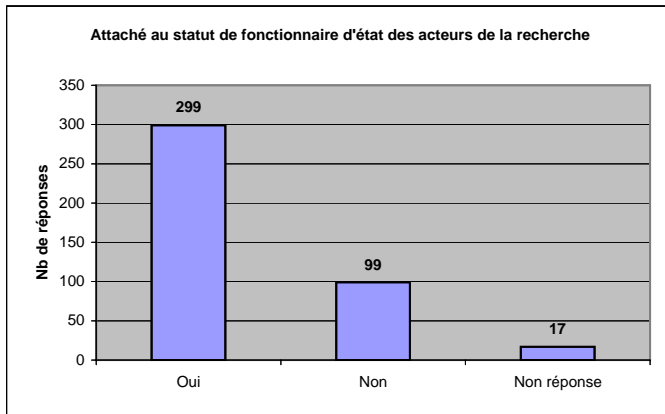

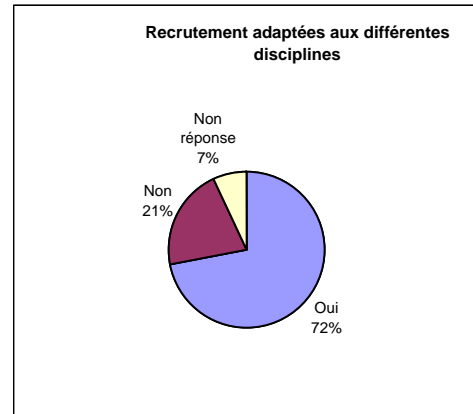

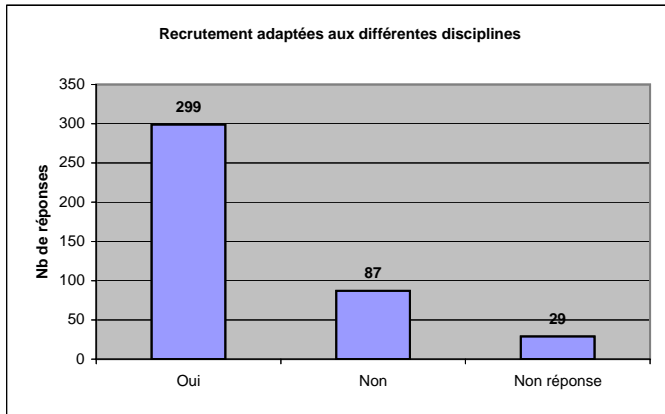

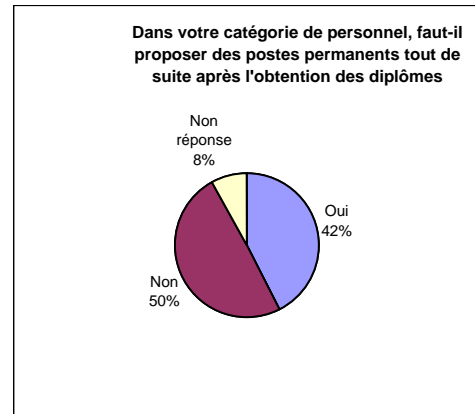

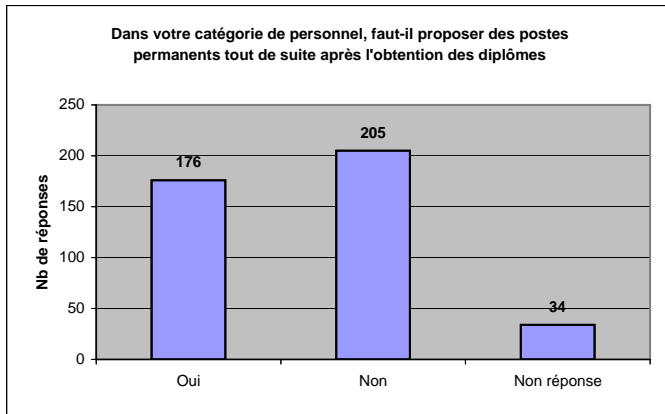

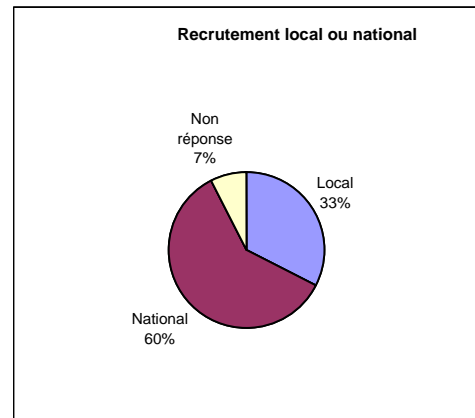

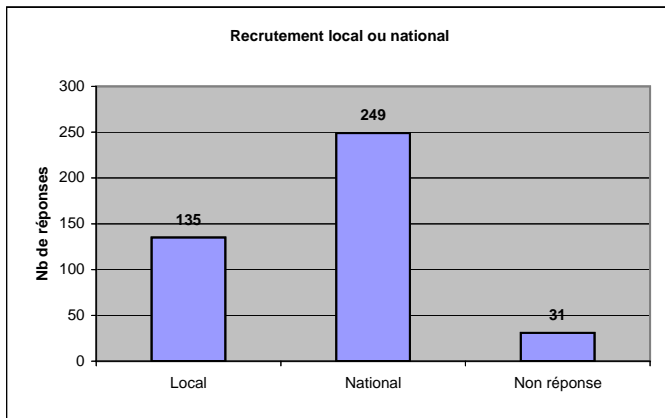

**Organisation**

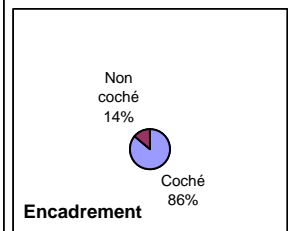

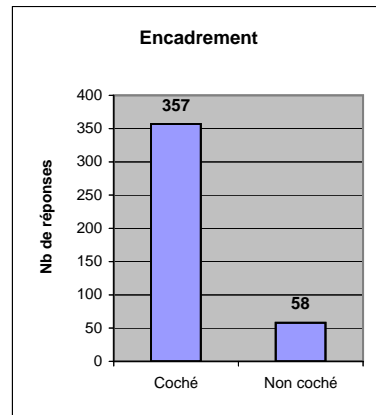

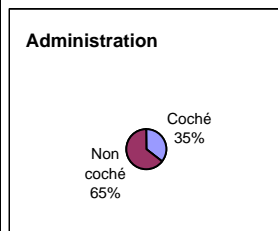

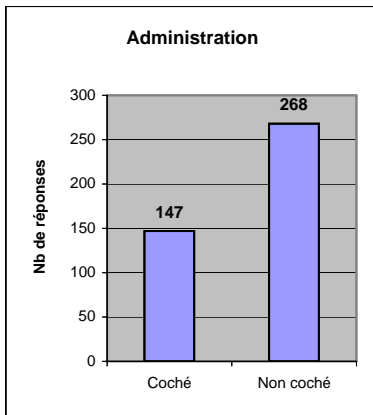

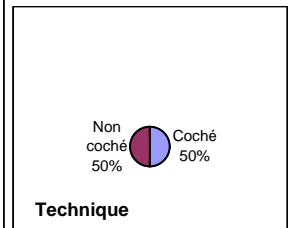

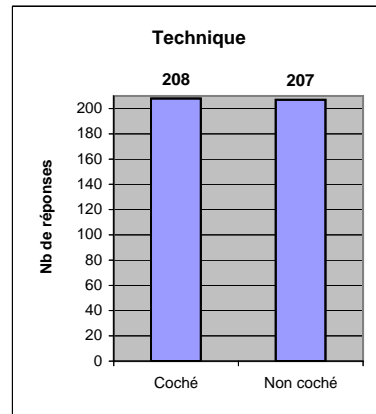

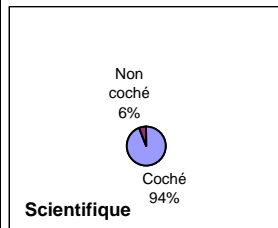

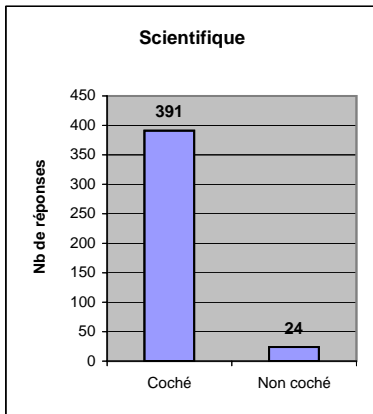

**Les acteurs de la recherche : chercheurs, ITA, enseignants-chercheurs**
